Whole Leaf Teas

Health & Well-being Green - This mild green tea is full of natural vitamins and antioxidants. We use a fresh green tea and depending on the flush, blend to achieve a subtle floral bouquet with complex character.

Mango Oolong - Mingled with the scent of ripe mangos, this refreshing oolong yields a sweet and delicate cup.

English Breakfast - When tea replaced ale as the flavored beverage at the breakfast table, it was an unblended China Keemun that was drunk. Blended true to the origin of “English Breakfast”, our connoisseur-grade is mostly Keemun with just a hint of Ceylon to sweeten.

Imperial Earl Grey - Strong enough for an Earl but refined enough for his Lady, this connoisseur-grade Earl Grey blends Ceylon India and China estate teas with just a hint of Bergamot.

Mad Hatter’s Tea Party - A deceptively chaste name for a rather passionate tea, that makes a great accompaniment to decadent desserts and companions. This velvety combination of passion fruit, pomegranate, and vanilla has become a favorite blend of those with an appreciation for fruity palettes.

Vanilla Bean - A full-bodied black tea infused with the rich and smooth flavor of the vanilla bean.

Organic Peppermint Leaves - Stimulating and refreshing, a pot of peppermint doubles as an aromatherapy session. An invigorating herbal infusion, fresh and rich in mint oils, with an amazing minty and uplifting aroma.

Lemon Verbena - Slip into sweet lemon drop daydreams, memories of carefree summer afternoons, and let your heart be light with this naturally caffeine-free infusion of lemon verbena, lemon grass and lemon balm. Simple bliss.

Keemun - An original gong fu tea, in the sense that it requires great skill to make the fine, unbroken leaves, Keemun is prized for its wine-like, full-bodied character, and exquisite orchid-like aroma. It is known as the Burgundy of the tea world.

Mountain Berry - Saskatoon berries (native to Canada), currants, raisins, and blue berries. A sip of Saskatoon Berry pie.

Peace Through Water - Reinforce your inner calm with this naturally caffeine-free infusion. Camomile (calms nervous system), and lavender (strengthens nervous system), and lemon balm (anti-depressant, calming) work as the active ingredients. Carefully selected flowers and herbs work together to calm jangled nerves.
